UPPER PROMENADE DECK

Any one or all of the magnificent salons . . . the Grand Hall, the Ritz Carlton Café, the Card Room, the Library, the Smoking Room, the Stuyvesant Café or the exquisite Dining Salon . . . might grace a palace, all are so enormous in size, so charmingly decorated, so richly furnished. Few palaces can boast such luxuries as the Outdoor Swimming Pool and the two Delft Tiled Indoor Swimming Pools, a large fully equipped Gymnasium and Elevators. Moreover, regardless of size and whether it be a cabin de luxe or a minimum rate room, every stateroom is comfortably furnished; kept fresh, spotless and well supplied with crisp clean linen by stewards who are proud to maintain the admirable Netherlands standard of cleanliness. And every room is equipped with the newest type of Zephyr-louvre forced air ventilators to keep it cool in warm climates and cozily heated in cold climates, a feature which the Holland-America Line considers extremely important to your comfort. All the features for which the S.S. Nieuw Amsterdam is famous . . . the palatial luxury, the sincere service, the marvelous food, the gay festivities, the fine travelling companions . . . are yours to enjoy on whatever Nieuw Amsterdam cruise you take.
